Risk indicator for the **Socially Responsible High Growth Portfolio**<sup>1</sup>:

The risk indicator is rated from 1 (low) to 7 (high). The rating reflects how much the value of the fund's assets go up and down. A higher risk generally means higher potential returns over time, but more ups and downs along the way.

To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at <https://www.sorted.org.nz/tools/investor-kickstarter>

Note that even the lowest category does not mean a risk-free investment, and there are other risks not captured by this rating.

This risk indicator is not a guarantee of a fund's future performance. The risk indicator is based on returns data for the five years to 30 September 2022. While risk indicators are usually relatively stable, they do shift from time to time. The risk indicator will continue to be updated in future fund updates.

## Notes

1 Because the fund has been operating for less than 5 years, the risk indicator has been calculated using market index returns for the period 1 October 2017 to 31 May 2022 and actual returns for the period of 1 June 2022 to 30 September 2022. As a result, the risk indicator may provide a less reliable indication of the potential future volatility of the fund.

2 The fund has not yet completed a full disclosure year and the total fund charges shown are the amount of costs and expenses that will be charged to the fund as at the date of the Booster SuperScheme - Workplace Savings Funds PDS. The fund's first full disclosure year is the year ending 31 March 2023.

3 Total fund charges are charged as a percentage of an investor's interest in the fund (i.e. as a percentage of their account balance). GST is not included in any of the fees stated and will be added where required.

4 The management fee covers Booster's administration and investment management fees, the Supervisor's fee and the regular costs and expenses of running the Scheme (such as audit fees and legal fees).

5 The Fund may invest a portion of its net asset value in Booster Innovation Fund, which is managed and established by Booster Investment Management Limited. Booster Innovation Fund pays a performance fee to Booster Investment Management Limited. By investing in Booster Innovation Fund, the Fund will bear a proportionate share of any performance fee charged which will be reflected in the unit price of the Fund.

6 The Fund may invest a portion of its net asset value in Booster Tahī LP, a limited partnership managed and established by related parties to Booster Investment Management Limited. Booster Tahī LP pays performance fees to the fund manager, Booster Funds Management Limited. By investing in Booster Tahī LP, the Fund will bear a proportionate share of any performance fee charged which will be reflected in the unit price of the Fund.

7 Because the manager of Booster Tahī LP is a related party to Booster SuperScheme, and it may receive a performance fee based on the returns of the Booster Tahī LP; 0.50% of Booster Investment Management Limited's annual management fee will be rebated on the amount invested by the Fund in Booster Tahī LP.

8 No performance-based fee was charged for the Booster Tahī LP for the year ended 31 March 2022. The performance fee will vary based on the performance of the Booster Tahī LP or the Booster Innovation Fund and this charge for the year ending 31 March 2023 may be materially different to the fee charged from the year ended 31 March 2022.

9 For more information on the performance-based fee, refer to the Fund's PDS and to the "Estimate of Fee" document lodged on the offer register at <https://disclose-register.companiesoffice.govt.nz> for more information on the performance-based fee.

10 As the fund does not have a full year of performance data, the returns used are based on the period 30 June 2022 to 30 September 2022. For the purposes of the member example the period refers to 30 June 2022 to 30 September 2022 and the return is the actual returns since the fund started, net of annual fund charges and tax.
